### The Next Evolution of Quail West

BY QUAIL WEST (SPONSORED POST)

Quail West, one of Stock Development's premier golf and resort-lifestyle communities located in North Naples, is one of the most prestigious luxury communities in Southwest Florida — and one of the most beautiful. The best-selling luxury community in Naples continues to shine, with splendid new amenities and a dazzling collection of magnificent estate homes. This spring marks the highly anticipated debut of its artfully re-imagined 70,000-square-foot clubhouse featuring indoor and outdoor dining.

The 70,000-square-foot clubhouse, with casual and formal dining, glass-enclosed heated swimming pool, and lounge areas, has undergone a major expansion and renovation project. Highlights of the newly refreshed clubhouse include expansive indoor/outdoor dining, a dramatic new fire and water feature in the lobby, a beautiful new ballroom, new lighted bar with contemporary glass wall, and a chic salon and spa. Additional updates include a new Pro Shop and the Grab & Go Cafe for quick, delicious meals.

The enhancement includes a brand-new two-story, 12,000-square-foot fitness and wellness center with state-of-the-art exercise equipment and rooms for yoga, Pilates, spinning classes and cardio workouts. For those who want more ways to stay active, Quail West has added bocce ball courts and enhanced its tennis facilities, with four of its eight tennis courts newly updated with new hydro court surfaces and LED lighting.

Both courses and practice facilities at Quail West have recently undergone complete renovations directed by golf course architect and noted course restorationist, J. Drew Rogers, ASGCA. The two 18-hole championship golf courses, originally designed by Arthur Hills, have been updated and restored to lead the Club into a new era. The result is an entirely reimagined golf experience, with two distinctively different golf courses that are not only fun to play, but also designed with timeless elements that identify with some of the most enduring architectural works in golf.

Quail West has the region's best offering of luxury estate homes, finely crafted and each built to reflect the personal preferences of sophisticated homeowners. These are grand residences with sumptuous finishes, soaring ceilings, beautifully designed living and entertainment spaces, glorious kitchens, opulent baths, and magnificent outdoor living spaces. All presented by Southwest Florida's finest collection of estate homebuilders, renowned for their award-winning quality and style.
